

My New Secondary School

My names is _____ .

I am _____ **years old.**

The secondary school I will be attending is called _____ .

My first day at The Ebbsfleet Academy will be 2nd September 2024.

On my first day, I will find out who my form teacher will be and where my form class is located.

This is where I will go for registration in the morning and in the afternoon. My form tutor is someone to help and support me.

In secondary school, I will not stay in the same class all day. This is ok.

I will move to different classrooms for different lessons. I will have a different teacher for each lesson.

On my first day, I will be given a weekly timetable. My tutor will help me to understand this.

This will show me what lessons I have and which classrooms they will be located in.

This can sometimes be confusing; I can always ask a

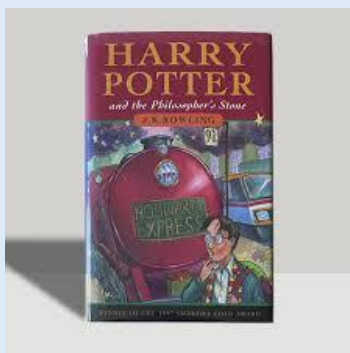

member of staff or a friend for help!

I will not have a coat peg or cloakroom in secondary school. This is ok.

I will have to carry my coat and bag to all my lessons.

I will need to remember to have my Chromebook and stationary with me to take to each lesson.

Some important rules to remember for Secondary school:

I will be allowed to take my mobile phone into school but I will need to keep it switched off and, in my bag, whilst in school.

I need to make sure I have the correct school uniform on at all times. This will include wearing a blazer, tie, having my shirt tucked in and wearing the correct shoes.

Lunchtimes are different in Secondary school too. This is ok.

In the school canteen, I will have a large variety of food to choose from including hot and cold options.

I can choose where I sit in the canteen to eat my lunch.

After eating I can go in the playground.

I might have some more questions I want to ask about Secondary School. This is ok.

I might be worried about starting secondary school. This is normal.

I can always talk to my Year 6 teacher, someone in my home, or my form teacher when I join Ebbsfleet.

**I am looking forward to starting my
new journey at Ebbsfleet Academy!**
